

## **Core Values**

- Asuncion Christian Academy is founded on a resolute commitment to God through faith in Jesus Christ.
- The students learn that Biblical truth is connected to and is the basis of all areas of human knowledge
- The students are taught to discover the significance of God's Word in their daily life.
- The parents, student and the school share the responsibility of the educational process
- Academic and spiritual distinction that excels in every staff action and student pursuit

## Target Group

### Students:

- Of missionary families and English-speaking Christian community
- Whose parents desire and value a Christian education
- With a potential to enter university studies
- With a passion for learning
- From early childhood to graduation
- With a Christian worldview

## Desired Outcomes

Students will recognize Jesus Christ as the center of all truth and a model for all mankind. The purpose of learning at Asuncion Christian Academy is to develop graduates that:

### ...are Spiritually Prepared

- Have a personal relationship with Jesus Christ
- Know, understand and apply the Word of God in their daily life
- Receive power from the Holy Spirit, resulting in a life of faith and good works
- Participate in the Great Commission in their community and around the world
- Are actively involved in the local church, serving God and others

### ...are Prepared Academically

- Show leadership and excellence in all academic disciplines
- Are effective communicators with other language and culture groups
- Appreciate literature and the arts, with an understanding of how these reflect beliefs and values

### ...have a Christian Worldview

- Able to stand firm against prejudices, promoting cultural harmony and practice biblical hospitality
- Understand the value and appreciate all human beings
- Capable of defending and supporting a biblical view of moral and ethical standards

### ...are Developing Lifelong Abilities

- Know how to use resources, including technical resources to obtain, analyze and evaluate information
- Able to use questioning skills, solve problems and make wise decisions
- Understand, appreciate and be involved in community service
- Good stewards of all resources – tangible and non-tangible
